RE: MEDA ETE project, component 4 "E-learning for teachers and trainers"

Dear Mr Habashneh,

I would like to thank you and congratulate for the recent positive outcomes of the face to face meeting of the online course "E-learning for teachers and trainers", held in Amman on 19-20 May 2008.

In the framework of the MEDA ETE project, component 4 on eLearning, the Jordanian team has shown a very positive and highly quality input as well as interest in the project. The work done by your institution has been crucial in the different phases of project implementation and we strongly wish that these positive outputs will find concrete future developments for its sustainability.

We would particularly like to thank Mr Mr Murad Al Kurdi and Mr Zied AlQaisi for their continuous and committed support to the project, as well as all course participants.

I would also like to take this opportunity to thank you for hosting the face to face of the Palestinian team of trainers, organised in the framework of the same project.

We look forward to our continued fruitful cooperation.

Yours sincerely,

Borhane Chakroun
MEDA-ETE project team leader
